

Clovis East High School Band and Guard
Fair Share Contribution Form
2019-2020

Our mission is to provide an incredibly remarkable and enriching musical experience that goes above and beyond the basic high school music classroom. Each ensemble has its own expenditures and operational costs that we are requesting help with. We are asking for a voluntary fair share contribution per ensemble to help off-set the costs per student in order to provide a world class musical experience for your student and family. Please select the performing ensembles that your student is involved with in order to calculate the suggested fair share contribution amount. A student's involvement will NOT be affected by monetary contributions towards the program. We base what we are able to provide on these pledged amounts.

_____ **Symphonic Band-** \$20/year _____ **Wind Ensemble-** \$40/year

These contribution amounts help us provide new music, festival registration, travel, coaches, and any other expenditures the program may incur. This does not cover costs for large trips. *****If your student is involved in both symphonic band and wind ensemble, we are only asking for the \$40 contribution.*****

_____ **Jazz Band-** \$10/Semester

_____ **Marching Band/Fall Colorguard-** \$400/Fall Semester

We want to provide a competitive and rewarding marching band experience. These contributions will allow us to design an effective production using high quality writers and designers. These contributions will also help cover costs such as competition registration, music design/licensing, drill, colorguard uniforms, coaches, equipment purchases, props, show-shirts, gloves, colorguard flag silks, etc.

Contribution Total (found by adding together all ensemble contributions): _____

_____ **School owned Instrument donation-** \$20/year... If your student is using a school owned instrument, we are asking for a small donation to help cover the costs for professional cleaning/maintenance and repairs so that our inventory remains in usable condition for student use. *****If your student uses multiple instruments from our inventory, we only ask for a single donation per student, not per instrument.*****

I pledge to contribute the following amount: _____

____ Full one-time payment (8/30) ____ Payment Plan (8/30, 9/27, 10/30) ____ I plan to raise my pledged amount through involvement in fundraisers like the Savemart Center. ____ I am unable to donate at this time.

By signing below, I indicate that I understand that the Clovis East High School band and guard program will only be able to operate with adequate funding. I also understand that certain aspects of the program are dependent on the pledged amounts that families say they are willing to pay. **I further understand that the band program will be operating based on my total pledged contribution.**
