Each director will take 1-2 minutes to talk about their program before their performance. Heather will introduce them and then they'll take the mic. This is the time to direct students to program websites, talk about the levels of classes offered, and get them hooked on your program! Remind students to talk to their counselors about your classes during registration.

CEHS Performing Arts Assembly

Technical Rehearsal

Each group has 15 minutes in the gym to work out spacing and run their performance with tech.
Please let students know to report on time. We will stick to the schedule. Thanks!

8:00am – Dance Rep.
8:15am – Folklorico
8:30am – Drama
8:45am – Choir
9:00am – Winter Guard
9:15am – Percussion

We'll be done with Tech by 10am. At this time if anyone needs to check last minute tech needs we have a little buffer for that before students arrive for the first assembly.

All students report to 1st period as usual

CE Chamber Orchestra - @ 9am - pick up instruments and head to gym to help with set up

CE String depart orchestra room at 9:05am

9:15 am set up chairs and stands in gym as quietly as possible so we do not distract percussion during their run

Students will be excused from 1st and 3rd periods on Thursday. After we are done performing the orchestra room will be opened so students can return music stands, instrument and music. Students will then be released to lunch.

CART students - please be sure to let Ms. G and Mrs. Oliver know you are a CART student so we are ready for your early departure.
