

THE 7TH ANNUAL FALL CONCERT, DINNER & AUCTION

Benefitting the Clovis East & Reyburn Orchestra Program

Dear Business Owner,

On Friday, October 20, 2023 the Clovis East & Reyburn Orchestra Program, along with its Parent Advisory Committee will be hosting our 7th Annual Fall Concert, Dinner & Auction. This fun family event will be held in the beautiful Shaghoian Concert Hall on the Clovis North campus and will include dinner, entertainment, and silent auctions. In order for us to make this event a huge success we are asking for community support and donations or underwriters for our dinner and silent auction items.

It is our goal to raise \$10,000 to improve our Orchestra program. We are very proud of our performers and want to show them our support by providing the best facilities, equipment and overall program possible. We appreciate your support and consideration in making a donation to our program.

The Timberwolves Foundation and The Reagan Educational Center Instrumental Music Program is a non-profit 501(C) (3) Organization. Non-Profit Tax I.D. #94-2840774. Written acknowledgement of your donation will be provided upon receipt of any donation. Please contact me with any questions or concerns regarding our event. We are also happy to coordinate a pickup for any donations. We appreciate your support and consideration in making a donation to our program.

Musically Yours,

Alexandra Gilroy Golden
Reagan Educational Center, Director of Orchestras
